The Ivy Hotel

For a family-pleasing vacation, a romantic weekend or business retreat, The Ivy Hotel offers something for everyone. In Wroughton, near many of Wiltshire's finest attractions, The Ivy occupies the site of the old Moormead Farm, and surrounds you with an exceptional level of service and amenities. Well appointed, comfortable bedrooms feature upgraded bedding, new fabrics and power showers throughout.

You'll also discover a wealth of local pastimes: nature trails, high quality golf courses, the largest designer outlet shopping village in Europe, the stones at Avebury, Stonehenge, the heart of the Cotswold's, Badminton Horse Trials, the Marlborough Cup, the International Air Tattoo and Castle Combe Motor Racing Circuit. All of these are no more than ten to twenty minutes away.

Plus so much more...

Taking its cue from Wiltshire's countryside influence, on the edge of the Marlborough Downs, The Ivy Hotel feels like a home away from home. Like in your own home, assuming we are able, if you want something that is not on the menu or directly on offer, we will be more than happy to provide it. We strongly believe that it is our service that will set us apart from our competitors. Therefore, we really are the place where nothing is too much trouble. Feel free to put us to the test, you will not be disappointed!

If you're looking for a convenient place to enjoy lunch or unwind at the end of the day or meeting, Harveys Bar and Restaurant at the The Ivy Hotel is a gathering spot for local professionals as well as hotel guests. A large screen TV is located in the bar with Sky Sports, and provides the backdrop for your favourite game, food and refreshments.

Under new ownership for a year, we kept a low profile whilst refurbishing to achieve excellence throughout. There is no question that the reputation of the previous hotel had deteriorated over recent years. This made it even more important for us to be ready before we launched The Ivy. Our passion and expertise for good food and fine wines has earned the hotel a pleasing reputation through word of mouth alone. Having undergone a complete refurbishment and with a keen team of staff we are proud to say:

*"We are not the same place and different,
but a different place altogether".*

Accommodation

Guest rooms at The Ivy Hotel are light and airy, with interesting detail. Unlike a modern hotel, all rooms are not alike. Each has its own character. Ruffled, sheer curtains at the windows contribute to year-round exposure to natural light. Antique mahogany furniture with a mix of lush cushioned suede and leather headboards, gives you a flavour of our mix of classical and contemporary features.

Even the smallest of rooms has a warm, welcoming and open feel. All rooms have generous closet space. Bathrooms have been updated and attention to detail includes candles in the bedrooms and bathrooms.

All rooms throughout the hotel have been refurbished. Most accommodations are located in the Main House. The Main House is the original Victorian brick structure and therefore the rooms are traditional in size and decor. The Willow House, with two large Willow trees outside, is affectionately referred to as the "new wing." This consists of twenty bedrooms and is connected to the Main House by our much liked conservatory. The rooms in Willow House are more contemporary in décor and cater for the more executive side of the hotel.

Harveys Bar & Restaurant

The crowning glory for The Ivy has to be Harvey's Bar and Restaurant, however no expense has been spared in bringing together a team whose culinary expertise would not be out of place at any of London's top eateries, and the relaxed, welcoming atmosphere means that every meal is a pleasure. Everything on the menu is freshly prepared using only the finest ingredients, and in the extremely rare event that you don't find anything that you like, the team is happy to prepare your favourite dishes

Whether you want to savour an elegant dining experience, dine in a more intimate informal setting, or just enjoy a casual lunch, Harveys provides the right environment for all, with exemplary and unhurried service. The Bar's Brasserie menu is for more relaxed informal dining, to suit any occasion, without losing that special touch.

The restaurant provides an ambience of intimacy and style, while the food excels in both quality and presentation. David Morris, our award winning head chef, provides the experience and consistency that is paramount in any successful restaurant, while his young and dynamic team are on the tip of foods cutting edge having worked with some of the best chefs in the country.

The restaurant features a distinct menu that reflects the personality and hospitality that characterizes The Ivy Hotel.

Think of us for any special occasion Christenings, Birthdays, Anniversaries we are large enough to provide all the services of a fully operational hotel, but small to enough to tailor our product and service to your every need.

(Guardian Oct 05).

Situated on the edge of the Marlborough Downs, in Moormead Road, Wroughton, The Ivy Hotel features 33 en-suite bedrooms, a first class bar and restaurant, six conference rooms and a level of service that is becoming all too rare in the modern world

The staff and hotel were very warm, very pleasant and welcoming. Your new updated restaurant was elegant and the live music excellent. Thank you again for a lovely evening, with lovely food and a great atmosphere.

(Corporate Testimonial)

Previously known as the Villiers Inn, the hotel came under new management last year, and has now been completely transformed. Where the facilities were adequate, they have been updated, and where they were lacking, they have been completely replaced. Those who have visited the same site in the past might be forgiven for thinking that the old hotel had been pulled down and replaced, as it really is that different!
